GIFT CERTIFICATE FOR A BESPOKE SUIT BY GRAHAM BROWNE OF LONDON WORTH £ 1,000

Bespoke is the real thing. The uniqueness of a bespoke suit is that the tailor has paper patterns that are exclusive to each client. The “cutter” cuts the paper patterns, and then the work starts. The paper patterns get modified after the different fittings and they are exclusively yours. “Made to measure or “custom made” is a bit different in the sense that they are not exclusive to you. The winning bidder will meet and be measured by a Graham Browne tailor in January when he comes to New York.
