

EMTA Forum on the South African Elections in London

May 9, 2024

~ ~ ~ ~ ~

ELNA MOOLMAN (Moderator)
Standard Bank

Elna started her career as senior lecturer at the University of Pretoria and has 20 years' experience as private sector economist. She is currently the Head of South African macroeconomic, fixed income and currency research at Standard Bank.

Elna holds a BCom Actuarial Science degree from the University of Pretoria, a Master's degree in Economics from New York University and a PhD in Econometrics from the University of Pretoria.

KIERAN CURTIS
abrdn

Kieran Curtis is the Head of Emerging Market Local Currency Debt within the Emerging Market Debt Team at abrdn. Kieran's main responsibilities cover sovereign debt, particularly local markets. Kieran began his investment career in 2002 at Invesco Asset Management before moving to Standard Bank.

Prior to joining Standard Life Investments in 2013, Kieran worked at Aviva Investors as Portfolio Manager and Head of Local Currency Bonds.

Kieran graduated with a Biochem (Hons) in Biochemistry from University of Oxford. Kieran also holds the IMC, and has passed CFA Level 1 & 2 Exams.

ADRIAAN DU TOIT
AllianceBernstein

Adriaan du Toit is director of emerging market economic research and Africa Economist at AllianceBernstein (AB).

Continued 

Prior to joining the firm, Du Toit was a Sub-Saharan Africa currency and rates strategist and director at Citigroup in Johannesburg, where he worked from 2013 to 2017. Between 2007 and 2013, he held three roles at Standard Bank in Johannesburg (rates analyst, head of Macro Research and fixed-income strategist). Du Toit started his career in 2004 as an economist at the South African Reserve Bank.

He holds a BCom (Hons) in economics and an MCom in econometrics (cum laude), both from the University of Pretoria in South Africa, and an MSc in financial economics from the University of Oxford.

ISAAH MHLANGA
Rand Merchant Bank

Isaah Mhlanga is the Chief Economist and Head of Research for Rand Merchant Bank. He leads the RMB Markets research team covering macroeconomics, fixed income, currencies, and credit for South Africa and several African countries, the UK, India, and the US, to serve the bank, institutional and corporate clients. He drives research client strategy in collaboration with sales, trading and the broader teams within RMB.

Prior to this, Isaah was the Executive Chief Economist and exco member of Alexforbes Investments, where he was responsible for macroeconomic strategy and a member of the Asset Allocation and Investment Committees.

He has prior experience as a macroeconomist at Absa Capital, senior economist at the National Treasury, having started his career as an economist at the International Monetary Fund local office in Pretoria.

He is a regular columnist for Business Day and Sunday Times.
