NOTE TO EDITORS:

Founded in 1990, EMTA (formerly the Emerging Markets Traders Association) is a not-for-profit corporation dedicated to promoting the orderly development of fair, efficient and transparent trading markets for Emerging Markets instruments, and the integration of the Emerging Markets into the global financial marketplace. EMTA, with over 180 member firms worldwide, has published its Annual Volume Surveys of Debt Trading since 1992. EMTA began publishing CDS volumes in 2009.

For its survey, EMTA collected data from 13 major international banks and broker-dealers on Emerging Market CDS contracts. Participants were asked to report their CDS volumes on 21 Emerging Markets countries and 9 EM corporate issuers. The survey is based on notional value of CDS trades and includes rollovers, but not netting trades or internal transfers.
