

Neuberger Berman: Senior Corporate Analyst for LatAm

Location: Atlanta, GA

Summary:

Our established and fast growing EMD team at Neuberger Berman currently manages around \$20bn in assets for a wide range of clients across Europe, Middle East, Americas and Asia including Pension Funds, Sovereign Wealth Funds, Insurance companies and private banking clients. We continue to see strategic growth potential in EM Corporates as part of globally diversified portfolios and are looking to appoint an enthusiastic and driven corporate credit analyst to join our Atlanta based team to focus on Latin American issuers.

Responsibilities:

- Ability to independently research credit fundamentals and evaluate investment opportunities across various sectors in both HY and IG
- Conduct objective competitive analysis, financial forecasts and recommendations based on company & industry research
- Perform timely credit recommendations and relative value analysis
- Collaborate with colleagues and Portfolio Managers to make buy, sell, and hold recommendations
- Develop comprehensive sector analysis and credit reviews for regular presentations to Portfolio Managers
- Develop and maintain relationships with sell-side sector analysts, managements of primary corporate holdings and rating agencies
- Collaborate with Research and Portfolio Management to analyze macro factors and broad market dynamics that have implications for investment strategy
- Conduct on-going monitoring and awareness of assigned credits

Requirements:

- 5 years+ of work experience in finance and/or asset management. Preference for a corporate analyst in credit.
- Corporate credit research experience with exposure to multiple-sectors in both IG and HY credits
- Experience in Emerging Markets is preferable
- Analytical with strong Excel modeling skills, including preparation of historical and projected financial models in Excel
- Strong communication (written and verbal), analytical and quantitative skills required
- Globally-minded individual, with understanding of international financial markets and cultures
- Self-assured and disciplined approach to analysis, with the ability to manage multiple projects/tasks simultaneously
- Be able to work under pressure and meet tight deadlines
- Team player that is flexible, adaptable and hardworking
- Willingness to travel throughout Latin America to attend conferences and perform due diligence on credits
- Multi-lingual—preferably Spanish / Portuguese
- Series 7 & 66 required within 6 months of start date
