

# EMpower

Enriching lives in emerging markets

## Mobilizing Resources

We leverage the assets and expertise of emerging market professionals to build the capacities of grassroots organizations in EM countries.

## Transforming Lives

Our grantmaking has impacted hundreds of thousands of young people who can now access greater opportunities for healthy, productive lives.

## Get Involved

The more people that engage in our work, the greater the awareness of the need, the more effective we become, the higher the probability of sustainable development.

### **HISTORY**

Founded in 2000 by a group of like-minded EM professionals with an interest in giving back to the countries in which their careers were focused.

### **IMPACT**

EMpower has funded over 95 health, education, leadership and livelihood initiatives totaling \$1.72 million in 27 countries worldwide. In 2006, EMpower funded inspiring organizations in the following countries:

Argentina  
Brazil  
Colombia  
India  
Mexico

Nigeria  
Pakistan  
Peru  
Russia

South Africa  
Thailand  
Uganda  
Vietnam

### **SUPPORT**

EMpower owes a special thank you to our Board, Underwriting Group and all of our donors for their ongoing support as we grow.
