## 5 "Cocoon II" by Frank Kenneth Wood

American artist Kenneth Wood, lives in Guatemala and creates beautiful artwork using hand-rolled pieces of recycled newspaper. He uses his talent to generate income for an organization of physically and mentally challenged youth in Guatemala who process paper elements for his unique art form. His finished pieces convey a sense of balance, calm and tranquility. Yet, each creation is made up of thousands of tiny paper pieces that draw the viewer into a complex universe of incredible detail.

**Donated by:** Ken Wood via Cooley Gallery

**Market Value:** \$2,500
