

EMTA Forum in Frankfurt

May 11, 2023

~ ~ ~ ~ ~

DAVID HAUNER (MODERATOR) **Bank of America**

David Hauner is a Managing Director and head of Emerging Market Economics & Strategy for the EMEA region. He is responsible for the economic outlook, the equity and fixed income strategy product, as well as trading recommendations in foreign exchange and local and hard-currency sovereign debt.

With his team, he ranked #1 in the EEMEA fixed income research Institutional Investor survey for the past ten consecutive years.

Prior to joining the firm in 2008, he was an economist at the International Monetary Fund (IMF).

Hauner holds a master's degree in international policy studies from Stanford University and a PhD in economics from the University of Vienna. He is a CFA charterholder and is based in London.

ANDREAS HAHNER **Allianz Global Investors**

Director, Lead PM, AFI Global Selection - Emerging Markets - Frankfurt Andreas Hahner is a Director and a Lead Portfolio Manager at the Advanced Fixed Income Global Selection - Emerging Markets team at Allianz Global Investors. He is responsible for research and portfolio management in the field of Emerging Markets and Global Corporate Bonds.

He joined the group in 2003 as a portfolio manager specialized in emerging market fixed income and FX and since then has been managing multifaceted fixed income portfolios. He has also developed and implemented country risk scoring models.

Before joining the company, he was a portfolio manager for Currencies and Global Fixed Income at Union Investment, Frankfurt, for three years.

Andreas holds an MA in Mathematics from Julius-Maximilians-University in Würzburg as well as an Executive MBA from Danube University Krems with part-time studies in Cleveland, Chicago, Prague and Brussels.

(continued) 

CHRISTIAN WIETOSKA
Deutsche Bank

Christian Wietoska heads the CEEMEA Research team, coordinating economics, fixed income and FX in the region. He is a Managing Director and joined Deutsche Bank as a graduate in 2011.

Before moving into his current role in Emerging Markets, he covered the Nordics & Switzerland as part of the European Rates Strategy team.

Christian is a CFA charterholder and earned his master's degree in business administration and economics from the University of Muenster (Germany).

PHILIPPE DAUBA-PANTANACCE
Standard Chartered

Philippe Dauba-Pantanacce is a Senior Economist responsible for global geopolitical economic analysis, based in Paris.

Philippe joined Standard Chartered in 2007 as a Senior Economist covering the Middle East and Turkey, spending time in both London and Dubai.

Philippe works closely with policy makers, think-tanks and multilateral institutions, and comments regularly in global media.

Before joining Standard Chartered, he worked for HSBC Asset Management in Paris and New York. Philippe also worked for the French Embassy in Washington DC in the Press Office, and previously in the US Congress.

He holds a Bachelor's and a Master's from University of Paris, Dauphine, a Master's from Sciences-Po Paris and a Master's from Columbia University in New York. He was recognised as one of the Most Helpful Analysts in Emerging Markets in 2021 by S&P's Coalition Greenwich, a reference survey in the industry.

CHRISTIAN WILDMANN
Union Investment

Dr. Christian Wildmann, CFA is Head of the Emerging Markets Debt team at Union Investment. He joined Union Investment in 2010 and is responsible for the management of emerging markets debt funds in sovereign and corporate debt, which are denominated in hard and local currency. Christian finalized his studies in Business Administration in 2006, specializing in Finance and Macroeconomics, at the Johannes Gutenberg University Mainz. Afterwards he received his doctorate at the Faculty of Economic Sciences at the University of Potsdam in 2010.

During that time, he completed research and study programs abroad at Dongbei University of Finance and Economics in Dalian (P.R. China) and at the Financial Academy Moscow, among others. Before joining Union Investment, Christian worked at the Research Centre of Deutsche Bundesbank and moreover as scientific assistant at the Chair of Banking and Finance at the University of Potsdam.

He is a CFA charterholder since 2013.
