Escalation of sanctions against Russia, China and Belarus, as well as continued sanctions against Venezuela and Iran, present unique challenges to policymakers and to Emerging Markets investors. This EMTA Webinar will provide a timely update on US and EU sanctions by a panel composed of leading legal practitioners in the area of OFAC regulations and will cover facts as they exist at the time of presentation.

***Support Provided by Allen & Overy and
Cleary Gottlieb Steen & Hamilton.***

This event is not open to the media, and is off the record.

This Webinar is part of a continuing series of panels and presentations that EMTA is pleased to sponsor on various topics of interest to Emerging Markets investors and other market participants and is part of EMTA's Legal & Compliance Webinars*.

*CLE credit will be available for NY attorneys. This Webinar is non-transitional and appropriate for experienced attorneys only. Please click [here](#) for details on EMTA's Financial Hardship Policy.
