

Sergio Trigo Paz
BlackRock

Sergio Trigo Paz is a Managing Director and Head of BlackRock's Emerging Markets Fixed Income. Prior to joining BlackRock in 2012, he was CIO of Emerging Market Fixed Income at BNP Paribas Investment Partners. From 2004 to 2008, he managed a special situations and event driven EM hedge fund and was also responsible for total and absolute return EM strategies at Fortis Investments. In his early career from 1993 to 2004 he developed extensive experience in emerging markets debt as a proprietary and distressed trader and as a market maker.

Sergio graduated with an MSc in Economics, an MSc in Finance and an MPhil in Management from Paris Sorbonne University in 1993.
