

## EMTA Webinar: Economic and Political Outlook for Nigeria

October 5, 2023

~~~~~

### **AYODEJI DAWODU (MODERATOR)** **BancTrust**

Ayodeji Dawodu is the Head of Africa Research at BancTrust & Co. He has spent most of his career in Credit and Equity Research working at Standard Bank, Exotix Capital, Investment One Financial Services and Debtwire while he also had a brief stint at Sahara Energy as a Project and Petroleum Economist within the Corporate Finance team.

Ayodeji holds BA in Accounting & Finance (First Class) from the University of Kent, and an MSc in Finance with Distinction from Bayes Business School (formerly known as CASS Business School). He is also a CFA Charter Holder and ACCA-qualified chartered accountant.

### **UNOMA OKOLO** **Artisan Partners**

Unoma Okolo is a Portfolio Manager on the Emerging Market Debt team at Artisan Partners.

Prior to this, she was an EM sovereign analyst at Fidelity Investments, responsible for macroeconomic and investment analysis on sovereign issuers across Sub-Saharan Africa and Asia. Her focus spans both hard currency and local currency-denominated debt securities.

Unoma earned her Bachelor of Arts degree in Economics from Stanford University. She is a CFA charterholder and a member of CFA Society Boston. Unoma is a dual US/Nigerian national.

### **NEVILLE MANDIMIKA** **Morgan Stanley**

Neville is an Emerging Markets Credit Strategist at Morgan Stanley. He focuses on developing external debt strategies for global institutional clients.

(continued) 

**SAMIR GADIO**  
**Standard Chartered**

Samir Gadio heads up the Africa Strategy team in FX, rates and credit research at Standard Chartered Bank. He is responsible for formulating views and recommendations on fixed income and foreign exchange markets across Africa.

Before joining Standard Chartered, Samir was a strategist covering African markets at Standard Bank, prior to which he was a Sub-Saharan Africa financial economist at Renaissance Capital. He started his career as a lecturer in statistics and options and futures at Manhattan College, New York.

Samir has travelled extensively across Africa and interacted on a regular basis with government and central bank officials, market players and institutional investors operating in the region.

He holds a PhD and MA in economics from Fordham University, New York, and a BS in economics from the Russian Peoples' Friendship University, Moscow. He is fluent in English, French, and Russian.

**ROY ADKINS**  
**T. Rowe Price**

Roy Adkins is a vice president of T. Rowe Price Group, Inc. and T. Rowe Price International Ltd. He is an emerging market credit analyst in the Fixed Income Division, responsible for analysis of African and Middle Eastern sovereign nations and is the team lead for Sovereign Credit Research.

Prior to joining the firm in 2008, Roy worked in the office of the U.S. executive director for the African Development Bank in Tunisia. He also spent five years in the U.S. Treasury Department of International Affairs providing analytical coverage of emerging markets.

Roy earned a B.A. from Kenyon College and an M.A. in law and diplomacy from The Fletcher School, Tufts University.
