

Republic of Argentina Untendered, Defaulted Noteholders Invited To Join Ad Hoc Group

Holders of defaulted notes issued by The Republic of Argentina, and not exchanged in Argentina's 2005 or 2010 offers, have formed an Ad Hoc Group (the "Group"). The purpose of the Group is to advance its members' rights in light of the equal treatment injunctions entered by the United States District Court in New York, and to pursue a favorable settlement of members' claims. The Group's members hold material amounts of these notes, including notes not issued under New York law, and the Group continues to grow. Interested holders of these notes are invited to contact the Group quickly through its legal advisor Bingham McCutchen LLP.
