NEAL CAPECCI
Manulife Investment Management

Senior Portfolio Manager, Emerging Markets Debt, Manulife Investment Management

Neal provides portfolio management and investment analysis on emerging-market debt. He is an experienced portfolio manager of multi- and single currency bond mandates invested in both sovereign and corporate debt. Neal's global expertise spans both developed and emerging markets, having worked for more than eight years at Manulife's Hong Kong office and six years at Manulife's London office. Prior to that, he served as a dedicated analyst and trader for the strategic income and international fixed income strategies of Manulife's Boston office. Earlier in his career, he was an investment associate at State Street Global Advisors in the U.S. Neal is a CFA charterholder and a member of the CFA Society Boston, Inc.

Education: College of the Holy Cross, BA in Economics; University of Notre Dame, MBA

MICHAEL CIRAMI
Artisan Partners

Michael Cirami, CFA, is a managing director of Artisan Partners and a portfolio manager on the EMsights Capital Group. In this role, he is a portfolio manager for the Artisan Emerging Markets Debt Opportunities, Global Unconstrained and Emerging Markets Local Opportunities Strategies, including the Artisan Emerging Markets Debt Opportunities and Global Unconstrained Funds.

TYLER EARLE
Fidelity Investments

Tyler Earle is a research analyst on the Emerging Markets Debt team at Fidelity Investments. In this role, Mr. Earle is responsible for conducting research on sovereign and quasi-sovereign bonds in Latin America.

Prior to assuming his current position in 2019, Mr. Earle was a research associate in the Fidelity Asset Management Solutions (FAMS) group.

He has been in the financial industry since joining Fidelity in 2013.

(continued)

ROBERTO SIFON-AREVALO
S&P Global Ratings

Roberto is Managing Director and Global Head of Sovereign and Multilateral Lending Institutions Ratings. In this role, he leads a team of senior specialists based in New York, London, Madrid, Stockholm, Mexico City, & Singapore that monitors ratings on sovereigns, multilateral and development financial institutions throughout the world.

Prior to that, he was the head of the Sovereign and IPF ratings group for the Americas and the Caribbean managing the team's analytical efforts in the region. Roberto's work experience, before joining S&P in 2003 as a sovereign ratings analyst, includes several analytical positions in different Financial Institutions in the US and Argentina.

He holds a degree in Business Administration from the Universidad de Belgrano, in Argentina, and a Master's Degree in International Affairs, specializing in International Economic Policy, from Columbia University in New York.

ALVARO VIVANCO
Wells Fargo

Alvaro Vivanco is the Emerging Markets Strategist at Wells Fargo since January 2026. In this capacity, he generates macro and market views, trade ideas across foreign exchange, rates, and credit markets, and produces thematic research on Emerging Markets.

Before joining Wells Fargo, Alvaro held Strategy positions at Natwest Markets, BBVA and UBS and started his career at the World Bank and the IMF doing macro policy research.

He holds a Master of Public Administration (MPA) from Harvard University and a degree from Georgetown University's School of Foreign Service.
