

## **LATAM DEBT CAPITAL MARKETS - NEW YORK**

### **About BancTrust & Co.**

BancTrust & Co. Investment Bank is a London-based boutique investment bank specialised in high-beta credit markets in Emerging Markets. The firm offers capital markets advisory, institutional sales & trading and investment research products and services to corporate clients and institutional investors. The investment bank is FCA regulated and has a strong LatAm presence with operations across the region, including Research & Capital Markets teams in Buenos Aires, Bogota & Caracas as well as London.

### **The Roles**

We are now looking to add a VP/Director to cover our LatAm clients. Ideal candidate:

- worked at 1st or 2nd tier investment banks for at least 5 years
- was responsible for origination and execution of public and private Emerging Markets debt transaction across various client types (please add a deal list with your application)
- has a good understanding of corporate finance, financial analysis and debt documentation
- has a transferable LatAm relationship network
- has frequently interacted with the buy-side clients
- was involved in liability management transactions for sovereigns and corporates
- can work and interact with clients independently
- is a self-starter but with a strong team ethic

BancTrust & Co is an equal opportunity employer. We deem our continued success to be contingent upon the equal treatment of all stakeholders and applicants for employment without discrimination.
