SIOBHAN MORDEN (MODERATOR)
Santander Investment Securities

Siobhan Morden heads Latin America Fixed Income Sovereign Strategy at Santander Investment Securities after the recent merger with Amherst Pierpont Securities and more than 30 years of experience. This reflects a similar role at Nomura and previously at Jefferies with a focus on distressed and stressed sovereign credits and RBS where she was Head of Latin America Strategy across local and external markets.

Previously, she was Head of Research & Strategy for North America and Head of Emerging Markets Latin America Research & Strategy at ABN AMRO. Prior to that, she was Head of Emerging Markets Research at Caboto (Banca Intesa), and a Senior Fixed Income Analyst at both PaineWebber and Santander Investment Securities.

Ms. Morden received an MA from New York University, a BA from Boston College and a graduate certificate in social economics and cooperative law from the Universidad del Pais Vasco in San Sebastian, Spain, where she was a Fulbright Scholar. She has lived and traveled extensively throughout Latin America, including Ecuador, Mexico and Paraguay and specializes in countries entering or exiting economic crisis.

RAMIRO BLAZQUEZ
BancTrust

Ramiro Blazquez is currently Head of Research & Strategy at BancTrust & Co. He holds an MSc in Financial Engineering from Birkbeck College, The University of London, and an MA in Economics from Universidad Torcuato Di Tella (Argentina). In addition, he pursued graduate studies in Finance at Universidad de San Andrés, where he also obtained his Economics degree.

Prior to joining BancTrust, Ramiro was leading the research team at an Argentine brokerage house. In the previous ten years, he worked as Senior Latam Economist for HSBC Global Research, covering the major South American countries. He was also an economist at the IMF's Argentina office, Managing Director at Universidad Di Tella's Center for Financial Research (CIF) and adviser for the Presidential office during Fernando De la Rúa's term.

(continued) 

Ramiro has taught several courses at Universidad Torcuato Di Tella, both at graduate and undergraduate levels. He is a former Chevening Scholar, a fellowship granted by the United Kingdom's Foreign Commonwealth Office. More recently, Ramiro has been appointed Associate Fellow at Canning House, a British think-tank focusing on Latin America.

PATRICK CAMPBELL
Morgan Stanley Investment Management

Patrick Campbell is a portfolio manager on the Emerging Markets team. He is responsible for buy and sell decisions, portfolio construction, and risk management for the team's emerging markets strategies. He is also responsible for the analysis of macroeconomics, politics, and financial markets of Latin America and the management of regional investments in various emerging markets portfolios.

He began his career in the investment industry with Eaton Vance in 2008. Morgan Stanley acquired Eaton Vance in March 2021.

Patrick earned a B.A. from Boston College. He is a member of the CFA Society Boston and holds the Chartered Financial Analyst designation.

JANET HE
J.P. Morgan Asset Management

Janet He, Executive Director, is the head of Emerging Markets Sovereign Research within the Global Fixed Income, Currency & Commodities (GFICC) group. Based in New York, Janet's main responsibility is managing the firm's EMD Sovereign Research capabilities. She is responsible for coordinating macroeconomic and cross-country research and oversees the team's proprietary sovereign and ESG research tools. She is also primary coverage for several countries in Latin America, generating investment recommendations for local and sovereign debt portfolios. She also leads the team's ESG strategy.

Prior to this role, she has held portfolio management and trading roles on the team. An employee since 2010, she previously worked in the Fixed Income Client Portfolio Management group, focusing on international fixed income products and new product development.

Prior to this, she worked in the Global Multi-Asset Group on quantitative research.

Janet holds a B.A. in applied mathematics from Harvard University, an M.B.A. from the Wharton School of the University of Pennsylvania, and is a CFA charterholder.
