

JAMES BANGHART
ASIA CREDIT TRADING
J.P. Morgan

James Banghart is a Managing Director based in London. James is currently Global Head of EM Credit Trading managing a team of traders responsible for Corporates (IG/HY), USD Sovereign, Loans, Distressed and Illiquid credit products. Prior to his current role, James was head of convertible bond trading for Asia and EMEA. Before that he was head of convertibles sales & trading in Asia/Pacific. James joined JP Morgan in London in 2003 as sell-side, high yield analyst covering the Auto and Auto Parts sector. He spent 4yrs as a publishing analyst before joining the EMEA Convertible Bond Trading business with a focus on special-situations trading.
