

**Amer Bisat**  
BlackRock

Amer Bisat, PhD., Managing Director, is the Global Head of Emerging Markets Fixed Income at BlackRock and a member of the firm's Fundamental Fixed Income Executive Committee.

Prior to BlackRock, Dr. Bisat was a partner in two macro hedge funds (Traxis and Rubicon) and held portfolio management responsibilities at Morgan Stanley and UBS. Between 1991 and 1998, he was a senior economist at the International Monetary Fund where he helped negotiate high profile programs with Russia, Ukraine, and Egypt.

Dr. Bisat taught graduate level economics courses at Columbia University. He co-authored a book on globalization and a number of policy papers on growth and financial sector development. He is a trustee of a number of Middle Eastern cultural institutions, sits on the Advisory Council of the Carnegie Middle East Center, and is a member of the Council of Foreign Relations.

Dr. Bisat earned a BA in economics from the American University of Beirut and a PhD. in economics and finance from Columbia University.
