4,5,6 subway at either Bleecker St. or Astor Pl.

Light Food! Great Music! Cash Bar!

A suggested door charge of \$20 to cover our costs

EMPower is a not-for-profit, tax-exempt foundation. It was created by and for individuals in Wall Street's emerging markets community to support local community-based social initiatives and social sector organizations that foster healthier civil society in emerging market and other developing countries. This party is not a fundraising event but a forum for broadening awareness of EMPower. For more information and to RSVP, please contact Barbara Magnoni at
