

EMTA WEBINAR: Economic Outlook for Sub-Saharan Africa September 22, 2020

~ ~ ~ ~ ~

JIBRAN QUREISHI (MODERATOR) **Standard Bank**

Jibran Qureishi is currently the Head of Africa Research at the Standard Bank Group. He leads the banks macroeconomic research, local markets and sovereign strategy desks. Jibran provides strategic and operational leadership to a team that has members in multiple geographic locations across the continent. The macroeconomic research is overlaid with fixed income and currency research to produce executable trade ideas in African fixed income and currency markets. In addition, his team's research is aimed at identifying potentially profitable trading opportunities in the growing African Eurobond market.

Jibran is regularly cited in newspaper articles and interacts extensively with the media including, CNBC Africa, Bloomberg, Reuters and local market reporters. He advises the banks clients and senior management in various in-country offices on Africa strategy. Additionally, he has advised governments and central banks on ad hoc research and advisory requests. He was ranked first by the Financial Mail top analyst awards for Sub Saharan Africa in 2016 and his team also emerged victorious in the Johannesburg Stock Exchange (JSE) Spire Awards in 2016 and 2017 as the best Africa research team. Jibran was also awarded the 'Top 40 under 40' in 2018 by the Business Daily which recognized young professionals who excelled in their respective fields of expertise.

KEVIN DALY **Aberdeen Standard Investments**

Kevin is an investment director on the emerging market team at Aberdeen Standard Investments and is based in London. His particular focus is on frontier markets, and more recently he has been very involved in the G20 debt relief initiative debate with the IIF, Paris Club, multilaterals, the UN Economic Commission for Africa and African finance officials. Prior to joining Aberdeen in 2007, Kevin spent over ten years at Standard & Poor's in London and Singapore. During this time, Kevin worked a credit analyst and was head of Origination for Global Sovereign Ratings.

KELVIN DALRYMPLE **Moody's Investors Service**

Kelvin Dalrymple is Vice President – Senior Credit Officer in the Sovereign Risk Group. Kelvin is lead analyst for a portfolio of sovereign and supranational ratings in Sub-Saharan Africa, in addition to being a spokesperson on credit-relevant developments in the region.

(continued) 

He has over 25 years macroeconomics and public policy experience, having previously worked in senior roles with the International Monetary Fund and World Bank Group, Caribbean Development Bank, and positions earlier in his career within the Government of Barbados serving as Economic Advisor to the Minister of Finance and Economist within the Central bank of Barbados. His skills and experience includes extensive outreach to finance and development ministries, central banks, private sector, academia and civil society.

Kelvin has a Bachelor of Science Degree in Economics from University of the West Indies and Master of Science in Policy Economics from University of Illinois at Urbana-Champaign. He was a 1994 Fulbright Scholar and is currently a Fellow with the UK Institute of Chartered Secretaries and Administrators.

NEVILLE MANDIMIKA
Rand Merchant Bank

Neville is an Economist and a Fixed Income Strategist in the Global Markets Research division at Rand Merchant Bank. He focuses on developing economic and financial market views for various African countries servicing clients in Africa, UK and the United States.

Neville is contributes regularly to international media such as CNBC, Bloomberg, BBC, Financial Times and Forbes on matters pertaining to fixed income and economics.

ROY ADKINS
T. Rowe Price

Roy Adkins is a vice president of T. Rowe Price Group, Inc. and T. Rowe Price International Ltd . He is an emerging market credit analyst in the Fixed Income Division, responsible for analysis of African and Middle Eastern sovereign nations and is the team lead for Sovereign Credit Research. Prior to joining the firm in 2008, Roy worked in the office of the U.S. executive director for the African Development Bank in Tunisia. He also spent five years in the U.S. Treasury Department of International Affairs providing analytical coverage of emerging markets.

Roy earned a B.A. from Kenyon College and an M.A. in law and diplomacy from The Fletcher School, Tufts University.
