

EMTA: Corporate Bond Forum in Boston

November 3, 2021

~ ~ ~ ~ ~

ANNE MILNE (MODERATOR)
BofA Securities

Anne Milne is a managing director and head of the GEM Corporate Credit Research team. Milne manages GEM research teams in New York, London, Hong Kong and São Paulo, with responsibility for fundamental credit research as well as corporate credit strategy.

Prior to joining the firm in 2010, she held research and portfolio management positions with J.P. Morgan, ING Barings, Trust Company of the West (TCW) and the World Bank.

She holds a master's degree in international economics from Johns Hopkins University School of Advanced International Studies (SAIS).

AKBAR CAUSER
Eaton Vance Management

Akbar Causer is a portfolio manager at Eaton Vance, responsible for managing EM corporate credit exposures across multiple strategies within the firm. Prior to joining Eaton Vance in 2017, he was a Senior Analyst at DDJ Capital. Akbar has also held roles in investment banking and private equity at Rothschild and Littlejohn & Co, respectively.

He holds a BA in Mathematics from the University of Pennsylvania and an MBA from Harvard Business School.

NADA OULIDI
Loomis, Sayles

Nada Oulidi is a Senior Credit Analyst at Loomis Sayles where she covers emerging market banks and banking sectors globally.

Prior to joining the firm in 2013, Nada worked for over a decade at the IMF and World Bank, where she assessed the financial stability of banks and banking systems across several emerging and developed economies.

(continued) 

Prior to that, she was a corporate credit analyst at BNP Paribas and an equity portfolio analyst at UBS.

Nada holds a Master of Science in Finance from the George Washington University and is a CFA charter holder.

ROBERTO SANCHEZ-DAHL
Manulife Investment Management

Roberto is a managing director and senior portfolio manager of emerging-market debt strategies at Manulife Investment Management.

Prior to joining the firm in 2013, Roberto was a senior portfolio manager and senior investment analyst at Federated Investment Management and an associate in the credit department at Goldman Sachs, and he began his career in 1993 at Moody's Investors Service.

Roberto earned a B.S. from Universidad Nacional Autonoma de Mexico, an associate's degree from Instituto Tecnologico Autonomo de Mexico, an M.B.A. from Columbia University in New York, and holds the Chartered Financial Analyst designation.

SAM EPEE-BOUNYA
Wellington Management Company

Sam Epee-Bounya is a Managing Director at Wellington Management. As member of the Emerging Markets Debt team at Wellington, Sam identifies attractive investment opportunities within the Emerging Markets corporate debt universe with a focus on Latin America and Africa.

Prior to Wellington Management, Sam worked at Bank America in various roles including high yield analyst, M&A and strategist. He also spent time at WPA, a private equity firm focused on Africa. Sam started his career as a consultant at Accenture.

Sam earned his MBA from MIT Sloan School of Management (2003) and his Master of Science in Chemical Engineering at the University of Maryland. He also holds a Bachelor of Science, *cum laude*, in chemistry from the American University (1995) where he was a National All-America Scholar. Sam currently serves on the MIT Sloan Americas Executive Board, the International Institute of New England and is an overseer of the Boston's Museum of Science.

Sam is originally from the Ivory Coast and is fluent in both French and English. He currently resides in Cambridge with his wife Alexandra and their 3 children.
