Neville is contributes regularly to international media such as CNBC, Bloomberg, BBC, Financial Times and Forbes on matters pertaining to fixed income and economics.

GUSTAVO MEDEIROS
ASHMORE INVESTMENT MANAGEMENT

Gustavo Medeiros, Deputy Head of Research at Ashmore Group, is responsible for researching macroeconomic and political developments across Emerging Markets. Before joining Ashmore, Gustavo worked for ten years at HSBC in São Paulo and London, where he focused on Latin American local rates and currencies. After joining Ashmore in 2011, Gustavo worked for six years as a portfolio manager on the local currency team covering Latin America before joining the external debt team as portfolio manager responsible for Eastern European and African markets. Gustavo was appointed to his current role in October 2019.

He holds a degree in Business Administration from Fundação Armando Alvares Penteado in São Paulo and is a CFA charterholder.

UNOMA OKOLO
FIDELITY INVESTMENTS

Unoma Okolo is a research analyst in the Emerging Markets Debt group at Fidelity Investments. Fidelity Investments is a leading provider of investment management, retirement planning, portfolio guidance, brokerage, benefits outsourcing and other financial products and services to more than 20 million individuals, institutions and financial intermediaries.

In her role, Ms. Okolo is responsible for macroeconomic research coverage and investment analysis on sovereign and quasi-sovereign issuers across Sub-Saharan Africa and Asia. Her focus spans both U.S. dollar and local currency-denominated debt securities, with the goal of generating investment recommendations that drive portfolio construction. Prior to assuming her current position, Ms. Okolo was a Business Associate in Fidelity's Equity division.

Ms. Okolo earned her Bachelor of Arts degree in Economics from Stanford University. She is also a CFA charterholder and a member of CFA Society Boston. Ms. Okolo is a dual US/Nigerian national.
