

# **EMTA WEBINAR: The Economic and Political Outlook for Chile**

## **February 9, 2021**

~ ~ ~ ~ ~

### **JUAN PABLO CABRERA (MODERATOR) Santander CIB**

Juan Pablo is Head of Macro/Strategy Research for Latin America at Santander. He's based in Santiago, Chile, and leads a team of 20 economists and FX/Rates strategists distributed all across the region, New York and London offices. His team's focus is mostly macro analysis and rates strategy, including FX and local interest rates markets.

He has been working at Santander for more than 20 years at different positions, including Senior Economist in Argentina, LatAm local markets strategist in Madrid, Head Latin American Economist and Chief Macro Strategist in Chile.

Juan Pablo has a bachelor degree in Economics from the University of Buenos Aires, and an MD in Economics from the CEMA University in Argentina. He also has studies in macroeconomics and finance at The World Bank Institute and the Swiss Finance Institute.

### **PILAR TAVELLA Barclays**

Pilar Tavella is an Economist at Barclays. Based in New York, she is responsible for the firm's Macroeconomic and Political Research on Argentina, Chile and Uruguay since 2015.

She has a strong background in Latin America economics, having worked on the buy side; at the Inter-American Development Bank; and at M&S Consultores, a macroeconomics advising firm in Argentina. Pilar has published academic papers on macroeconomic and financial topics with a focus on Latin America, and taught in the Economics Department at Harvard University.

She holds a Master of Public Administration and International Development degree from Harvard University and a BA in Economics from Universidad Torcuato Di Tella.

(continued)

**DIEGO PEREIRA**  
**JP Morgan**

Diego W. Pereira is J.P. Morgan's Chief Economist for Argentina, Chile, Peru, Paraguay and Uruguay. Diego joined J.P. Morgan in 2011 covering Southern Cone macroeconomics, and later moved to the EM Strategy group focusing on Latin America FX strategy in 2013. In 2016, his role expanded after he was appointed Chief Economist.

Pereira is consulted by local fiscal and monetary authorities, multilateral financial institutions and corporations. His views on domestic and global developments appear recurrently in the local press of the countries under his coverage.

He holds a Ph.D. and MSc in Economics from UPF, Spain, focused on macro-finance and EMs, and a B.A. in Economics from UDELAR (Uruguay).

**PRAMOL DHAWAN**  
**PIMCO**

Mr. Dhawan is a managing director, a portfolio manager in the Newport Beach office and head of the emerging markets portfolio management team. He is also a co-chair of the emerging markets portfolio committee and has served as a rotating member on the firm's Investment Committee.

Prior to joining PIMCO in 2013, he was a managing director and head of emerging markets trading for the Americas at Société Générale in New York. He was previously based in London, where he headed the Central and Eastern Europe emerging markets team for the firm. Additionally, he was a management consultant at Accenture.

He has 18 years of investment experience and holds an MBA with a specialization in finance from the Anderson School of Management at the University of California, Los Angeles. He received an undergraduate degree from the University of Nottingham, England.

**SAMY MUADDI**  
**T. Rowe Price**

Samy Muaddi is a portfolio manager in the International Fixed Income Division. He is the lead manager of the Emerging Markets Corporate Bond Strategy and co-manages the Emerging Markets Bond and Global High Income Bond Strategies. He previously managed the firm's Asia Credit Bond Strategy from its inception until 2020. Samy also is a vice president of T. Rowe Price Group, Inc., and T. Rowe Price Associates, Inc.

Samy's investment experience began in 2006 when he joined T. Rowe Price, beginning as an associate analyst in the Fixed Income Division. After that, he was a credit analyst and then an associate portfolio manager on the Emerging Markets team before assuming his current role.

Samy earned a B.A., summa cum laude, in economics from the University of Maryland. He also has earned the Chartered Financial Analyst® designation. Samy is an adjunct professor at Georgetown University in the Walsh Graduate School of Foreign Service.
